

Update Regarding COVID-19 Vaccine

COVID-19 Vaccine Supply and Availability

Vaccine remains in very short supply. Missouri is currently vaccinating individuals in Phase 1A, Phase 1B - Tier 1, and Phase 1B - Tier 2, and Phase 1B - Tier 3 [see **Figure 1**]. Missouri will open up Phase 2 on Monday, March 29, 2021, which includes the following populations:

- Commercial Facilities Sector
- Critical Manufacturing
- Construction Sector
- Defense Industrial Base
- Financial Services
- Food and Agriculture Sector 2
- Government
- Disproportionately Affected Populations
- Homeless Population

Phase 3 will open on Friday, April 9, 2021, which will allow for all remaining Missouri residents to become eligible for vaccination. More details about the Phased Plan from the Missouri Department of Health and Senior Services (DHSS) can be found [here](#).

Cass County Vaccination Partnerships

CCHD is one of several vaccinators in Cass County. We are collaborating with Cass Regional Medical Center, Belton Regional Medical Center, and Compass Health. We are providing individuals on our vaccine interest list with vaccination opportunities sponsored by these agencies as they become available.

Vaccine Demand

CCHD initiated a vaccine interest survey on January 6, 2021. Since that time, nearly 35,000 people have signed up wanting vaccine. This information is being used to prioritize individuals to the correct tier and direct them to vaccine opportunities as they become available.
